Narrative: comp was at madison park/library with his sons 9&11 and the

suppose to have them
male is standing outside of her apt/requesting to speak
with an officer

COM was at Madison Park with children, 9 and 11. According to agreement on his phone, it is his parenting time today. TRICIA came to the park to drop something off for COM, and left with the children even though COM told her not to do so. TRICIA advised she refuses to abide by the agreement until the court tells her she absolutely has to. TRICIA expressed great disdain for the COM in front of both children, calling him names and stating he is a bad person. TRICIA refused to give her personal info for this detail, stating she did not want a record of it available for future court appearances. Info was obtained from COM. Children were not returned to COM due to TRICIA'S refusal. A partial audio file is available from car 201. COM was advised to the record room during regular business hours
